12 Re: Dkt. No. 113

13 Upon review of the Joint Status Report and Request for Continuation of Modified Stay  
14 (Dkt. No. 113), it is apparent that the current “soft stay” is allowing the cost-effective investigation  
15 and remediation of the former dry cleaner location at issue in this litigation, and that progress is  
16 being made on the steps necessary for a productive mediation or other resolution in this matter.  
17 There is no need for a case management conference on April 14, 2015, and the conference is  
18 VACATED. A further case management conference will be held on October 20, 2015, at 2 pm in  
19 Courtroom 2. A Joint Status Report shall be filed by October 13, 2015, describing the further  
20 progress of this matter. The “soft stay” described in the minute order from the last case  
21 management conference (Dkt. No. 106) shall remain in effect until otherwise lifted by the Court.

22 **IT IS SO ORDERED.**

23 Dated: April 9, 2015
